

THE AMERSHAM
RURAL DISTRICT COUNCIL.

ANNUAL
REPORT

... OF ...

THE MEDICAL OFFICER
OF HEALTH

FOR THE YEAR
1920.

To the Chairman and Members of the
AMERSHAM RURAL DISTRICT COUNCIL.

MR. CHAIRMAN AND COUNCILLORS,

I have the honour to lay before you the Report upon this district for 1920.

The disease returns not only shew a reduction compared with those of last year but also the infections were generally of a milder type. The great pandemic of Influenza has subsided causing 9 deaths this year as against 17 in 1919. Cerebro-Spinal Fever never gained a foothold nor was there any recurrence of Small Pox in this district, though several foci developed elsewhere. The Birth Rate has risen from 13.3 in 1919 to 19.4 in 1920. The Deaths have decreased 15 per cent. in the same period. The Council's numerous housing schemes are well forward. I must express my sense of indebtedness to your Inspector, Mr. Crowhurst, for his thorough work sustained throughout the year.

I remain,

Yours faithfully,

J. SHERWOOD NEW.

Causes of Death.

Amersham Rural District—1920.

Civilians only.		Males.	Females.
Whooping Cough...	...	1	1
Influenza	6	3

Drainage of Chesham Bois Parish.

A public enquiry was held by Mr. Irons of the Engineering Staff of the Ministry of Health on December 16th, at the Board Room of the Infirmary, Amersham.

A very detailed investigation was made into the possible ways of dealing with the lower lying property, and the matter was left for further conference between the Authorities concerned.

Housing.

The Council's Housing Estate, Back Lane, Amersham. This pre-war scheme of 12 cottages, arranged as six pair, is now completed, including connection to the main sewer. The property is now all let.

Statement under Article V. of Housing Regulations, 1910.
